Planning Dept,

Could you confirm if the signed scanned document is acceptable and if you require the original signed copy?

Could you also advise if there is going to be a delay due to the minor amendment?

Also I was not able to see the original the application on the web portal this morning should it be visible?

Kind regards
John Carr

Subject: 2 West Street Amendent to proposed scheme

Dear John
I have spoken to a colleague concerning the proposed amendment to your scheme. There is some paperwork that needs to be completed. It would also be beneficial to have a copy of your plan submitted with the two outside lamps deleted. If you could date the plan with todays date, that would be useful.

Please find attached the necessary form. I have included both pdf and word formats. Once completed, please send in to planningadvice@sholland.gov.uk with the copy of your dated plan.

The report and recommendation are written up and will be passed through for a decision once the form has been processed by Planning Administration.

Regards
Julie-Anne
