period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

5 Arrangements shall be made for an archaeologist recognised by the Local Planning Authority to monitor all stages of the development involving ground disturbance in accordance with a scheme to be submitted to and approved in writing by that authority before development is commenced. A report of the archaeologist's findings shall be submitted to and approved in writing by the Local Planning Authority within one month of the last day of the watching brief, and shall include arrangements for the conservation of artefacts removed from the site.

Reason: The site is of archaeological interest.

6 The existing hedge shall be retained at a height of at least 1 metre along the highway boundary of the site apart from at the access point and in the event of the existing hedge dying, it shall be replaced within 6 months by hawthorn hedging. Such replanting shall be maintained by the owner or owners of the land on which it is situated for the period of 5 years, beginning with the date of completion of the planting and during that period all losses shall be made good as and when necessary, the hedge shall be allowed to reach a height of at least 1 metre.

Reason: In the interests of the visual amenity of the street scene.

The determined plans are:-
Dwg no. 3227(A) 01 received 27 April 2001.

The permitted development will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (Tel: 01775 769091) prior to the commencement of any works within the public highway.
