Description: Residential development (one dwelling)

Location : The Broadway Crowland
Lincolnshire

South Holland District Council hereby give notice that OUTLINE PLANNING PERMISSION HAS BEEN GRANTED for the development in accordance with the application submitted, subject to the following condition(s):

1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun not later than whichever is the later of the following dates:
(a) the expiration of five years from the date of this permission,
(b) the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990.

2 The following matters are reserved for subsequent approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:
(1) Detailed drawings to a scale of not less than 1/100 showing the design and external appearance of the buildings, including particulars of the materials to be used for external walls and roofs;
(2) Landscaping of the site, including details of positions, heights on planting and species of trees and shrubs.

Reason: The application was submitted in outline only.

3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

SOUTH HOLLAND DISTRICT COUNCIL

4 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

5 Prior to development being commenced all trees being retained on the site shall be fenced off at least 1 metre beyond the spread of such trees by means of a fence of a minimum 1200 mm high, consisting of chestnut paling firmly secured top and bottom to line wires fixed to fence posts a maximum of 2 metres apart. Such fencing shall be properly maintained throughout the period of construction and removed only when the development is completed and building work ceases.

Reason: To safeguard the trees during development.

6 Under no circumstances shall any material, machinery, tools, fuel, etc be stored, nor any builders huts and the like of temporary or permanent nature be erected in the area protected by the fencing. Trenches for any underground services which are to pass within the fenced area shall be dug by hand and care taken not to damage any tree roots whatsoever. When such services have been inserted in the trenches, the trenches shall be carefully backfilled and consolidated by foot every 150 mm of depth. Under no circumstances shall a machine dig be allowed within the fenced areas.

Reason: To safeguard the trees during the development.

7 No trees or shrubs on the site shall be lopped, topped, felled or uprooted Any trees dying or becoming dangerous shall be replaced with trees of such size and species as may be agreed in writing with the Local Planning Authority.

Reason: In the interests of the amenity of the area.

The final development shall be substantially in accordance with the dwelling shown on the approved plans.

This permission is granted in accordance with the application submitted as revised by the amended plan (Drg No. 98:34:1A) received on 5th August 1998 by the Local Planning Authority.

The applicant is advised that this permission does not authorise any works to the preserved trees on the site, nor infer that any subsequent authorisation will be forthcoming as a result of the development.
