

1. Contractors must check all dimensions on site. Only figured dimensions are to be worked from. Discrepancies must be reported to the architect or engineer before proceeding. © this drawing is copyright.
2. Reproduced from OS sitemap © by permission of Ordnance Survey® on behalf of the controller of Her Majesty's Stationery Office. © Crown Copyright 2008. All rights reserved. Licence number 100007126.
3. Until technical approval has been obtained from the relevant authorities, all drawings are issued as preliminary and not for construction. Should the contractor commence site work prior to approval being given it is entirely at their own risk.
4. Woods Hardwick cannot accept liability for any discrepancies in terms of coordinates or any other information deciphered from dwg's.
5. The exact location and level of all existing sewers, drains and services to be confirmed on site prior to the commencement of any works.

There are no exceptional risks associated with these works. Refer to the Designers Risk Assessment for the full assessment of risks.

It is assumed that all works will be carried out by a competent Contractor, where appropriate, to an approved method statement.
