TOWN AND COUNTRY PLANNING ACT 1990 OUTLINE

Reference:	H02-0608-20	Date of Decision:	30th September 2020
Applicant:	Mr & Mrs Clough Lawnwood 47 Plank Drove Crowland PE6 0BY		
Location:	Lawnwood 47 Plank Drove Crowland Spalding		
Description:	Outline permission for one residential dwelling		

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The application site is located outside of the settlement boundary of Crowland. The site, by virtue of its location, is poorly related to the existing built-up residential area of Crowland as outlined in the South East Lincolnshire Local Plan (SELLP, March 2019). The site is physically and functionally detached from Crowland, its settlement boundary, and is located in the open countryside. As per Policy 1 of the SELLP it is classed as being in the 'Countryside' in planning policy terms.

As a consequence, future occupiers would be likely to have a high dependence on the use of motor vehicles, which would increase carbon emissions. Residential development in this location is, therefore, considered to be inappropriate and would result in harm in relation to the social and environmental objectives enshrined in Paragraph 8 of the National Planning Policy Framework (NPPF, 2019). Given the location of the site the proposal is in conflict with the spatial strategy outlined in Policy 1 of the SELLP, as well as Policies 10, 11 and 17 of the SELLP, which underpin the delivery of housing within defined settlements. The proposal also does not comply with any of the exceptions for new dwellings in the countryside defined under Policies 19, 20, 22 or 23 of the SELLP.

Policy 1 states that development in the Countryside will only be "permitted that is necessary to such a location and/or where it can be demonstrated that it meets the sustainable development needs of the area in terms of economic, community or environmental benefits".

It is accepted that authorities must give suitable development permission to enough suitable serviced plots of land to meet the demand for self-build and custom housebuilding in their area, and that there is demand for such plots in the area. However, it is not considered that open market housing, which self-build housing is considered to be, is a type of development that requires a countryside location. This is particularly the case in this instance where the Council has a recently adopted development plan with a spatial strategy setting out how the housing needs for the area will be met. In addition, the Council has an identified 5-year housing land supply (9.1 years as at 31st March 2020).

Furthermore, although the proposal would make a small contribution towards housing supply (including helping the Authority to meet its statutory duties to maintain an adequate supply of plots to meet the demand for self-build/custom-build dwellings) and the economy in the District, these factors are outweighed by the harm that the proposal would cause in terms of its environmental effects.

For the reasons outlined above the proposal is considered to be in conflict with the SELLP, as well as the intentions of the NPPF 2019. Paragraph 12 of the NPPF reiterates that the development plan is the starting point for decision making and that where a proposal conflicts with an up-to-date development plan it should not usually be granted. There are not considered to be material planning considerations that would outweigh the harm identified in this particular case which would indicate that the plan should not be followed.

Royal Courts of Justice. Braintree District Council and (1) Secretary of State for Communities and Local Government (2) Greyread Ltd. (3) Granville Developments. Case No: C1/2017/3292. Date: 28 March 2018.

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance,

planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

BUILDING REGULATIONS:

This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
