Application H02-0608-20
Location LAWNWOOD 47 PLANK DROVE CROWLAND PE6 0BY
Proposal Outline permission for one residential dwelling

Name Sue Armour
Address Environmental Protection Officer SHDC PE11 2XE

Date Submitted 26-08-20
For/Against Comments

Our records indicate that the site is within the immediate vicinity of a former landfill site. However, there appears to be some doubt that the area was actually landfilled. With that in mind I suggest that land contamination could be dealt with via condition, rather than requiring information prior to determination. I therefore request that the full land contamination condition be applied at this location.
