

**CHALET BUNGALOW, HEREWARD WAY, CROWLAND, PE6 0BL**

**PLANNING REFERENCE H02-0714-22**

**CONSTRUCTION MANAGEMENT PLAN & METHOD STATEMENT**

**1. Hours of Work**

0800 to 1700 Monday to Friday. No weekend working.

**2. Site Personnel Vehicles**

Site personnel vehicles will be parked on the existing driveway to the north of the site.

**3. Site Accommodation**

Due to the small scale nature of the construction, no site accommodation is proposed.

**4. Materials deliveries**

Deliveries are to be pre arranged, with times coordinated with neighbours to ensure no disruption to them, including with offloading.

Larger goods vehicles will reverse down Hereward Way to Broadway, guided by a banksman.

**5. Excavated materials**

Excavated material will be disposed of via a grab lorry.

**6. Noise, dust, vibration and smoke**

Excessive noise and vibration, construction generated, will be monitored and restricted. Loud music will not be allowed at any time. During dry weather, any dust generated by the building operations will be damped down regularly. Should any smoke arise, all efforts will be insisted upon to minimise it.
