South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

- 1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

- 2 Before any development is commenced, a scheme of landscaping and tree planting for the site, including details of positions, heights on planting and species of trees and shrubs, shall be submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of visual amenity.

- 3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

- 4 Before the vehicular access is commenced to be used the access and turning facility shall be provided on site in accordance with the plan accompanying the application.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

- 5 Arrangements shall be made for an archaeologist recognised by the Local Planning Authority to monitor all stages of the development involving ground disturbance in accordance with a scheme to be submitted to and approved by that authority before development is commenced. A report of the archaeologist's findings shall be submitted to the Local Planning Authority within one month of the last day of the watching brief, and shall include arrangements for the conservation of artefacts removed from the site.

Reason: The site is of archaeological interest.

- 6 Before any development is commenced, a scheme to provide screen walls or fences, including details of their height, design and position, shall be submitted to and approved in writing by the Local Planning Authority, and such scheme as may be approved shall be put into effect before the building hereby permitted is brought into use.

Reason: In the interests of the amenities of the area.

- 7 Notwithstanding the submitted details, before development is commenced the applicants shall submit to, and have had approved in writing by the Local Planning Authority, samples of the bricks and tiles and details of the texture and colour finish of the external render. The development shall be constructed in accordance with the approved samples and details.

Reason: To ensure the materials harmonize with other dwellings in the locality in the interests of the visual appearance of the locality.

The determined plans are:-

Site location plan, 1:50 and 1:100 detailed plans received on 8 July 1999.

The permitted development will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (Tel: 01775 769091) prior to the commencement of any works within the public highway.
