TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference:	H02-0717-26	Date of Decision:	1st October 2026
Applicant:	Mr M S Malak 109 Wellington Street Peterborough PE1 5DU		
Location:	9 South Street Crowland		
Description:	Window Alterations		

South Holland District Council, in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended), hereby give notice that permission has been REFUSED (or equivalent) for the development referred to above, for the following reason(s):

- 1 Insufficient information has been provided to assess the significance of the non-designated heritage asset within the site and to clarify the details of the proposed replacement windows. Notwithstanding the lack of information, it is considered that the existing timber framed windows are distinctive and of high visual quality. The windows add an architectural detail that is well suited to the setting of the site and the windows contribute positively to the character and appearance of Crowland Conservation Area. In contrast, the proposed replacement windows would result in inferior alternatives and this is not considered to be justified in this instance as it is not considered that there would be sufficient public benefits that weigh in favour of the proposals.

Therefore, the development would be contrary to the aims of Policy 29 of the South East Lincolnshire Local Plan (2019) (SELLP) and Policies HE5, HE6 and HE7 of the National Planning Policy Framework (August 2026) by removing traditional materials from the building and replacing the windows with inferior alternatives. In this case, it is considered that the public benefits would not outweigh the level of harm that has been identified. The proposal would also fail to either conserve or enhance the historic environment which is also contrary to Policies 2 and 3 of the SELLP.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

RIGHTS OF APPEAL

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning-inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR the **timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://appeal-planning-decision.service.gov.uk/before-you-start>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
