"Thank you for your enquiry"

Looking for a trade supplier for sliding sash windows?

When you are choosing a supplier for a sash window installation, you want to be sure you choose an experienced one, with:

- the technical expertise and specialist knowledge
- a wide range of sash window products
- a clear manufacturing ability

to deliver **exactly what you want, when you want it**, and at a price that ensures **you make a good margin too**.

Our aim is to become known as the most honest, reliable and trustworthy supplier of pvc-u sliding sash windows in the U.K.

> *We firmly believe our business can only grow, through developing long-term relationships with our customers and* ***by exceeding your expectations.***

As we only manufacture sliding sash windows, you can be certain you're working with a partner absolutely committed **to delivering the best quality products, on time, to your precise specification.**

If, having read the enclosed information, you feel we may be able to help resolve your sash window supply problem, then we will be very pleased to hear from you.

After all, it's all we make!

Yours faithfully

Alan Burgess
Managing Director

PS As your sash window supply partner, we are absolutely dedicated to delivering the best quality products, on time, to your precise specification.
