

## **Land off James Road, Crowland H02-0771-18 Refuge & Recycling Scheme**

This refuge and recycling scheme has been written in pursuance of discharging condition 11 of application ref; H02-0771-18 and should be read in conjunction of plans, 437.SL.01.F, 437.MRP.01, 437.LD.P.01.A, 437.LD.P.02.C, 437.LD.P.03 & 437.LD.P.04.C.

### **Refuge**

All properties will be provided with internal refuge bins. Once full, these will be emptied into black refuge sacks, and stored within an external refuge bin located in the rear garden of all properties. On the day of collection, occupiers will present the refuge sacks to the roadside, or to the bin lay down areas if the property is located along a private drive by 06:00hrs.

Black sacks are provided by SHDC twice yearly in batches of 26. If more than, 52 are required in a year these are available from most supermarkets and hardware stores locally.

### **Recycling**

All properties will be provided with internal recycling bins. Once full, these will be emptied into green refuge sacks, and stored within an external recycling bin located in the rear garden of all properties. On the day of collection, occupiers will present the recycling sacks to the roadside, or to the bin lay down areas if the property is located along a private drive by 06:00hrs.

Green sacks are provided by SHDC twice yearly in batches of 40. Should residents run out of green sacks they can place their recycling for collection in any other clear coloured sack (except black), suitably sized recyclable container (which will not be returned), cardboard box or carrier bag.

### **Garden Waste**

Residents will be informed by the developer of the SHDC Garden Waste Scheme and directed to the council's website to apply for a Garden Waste wheeled bin. It is the responsibility of the resident to dispose of all garden waste in proper manner.
