Details of the pre-application advice received

Thank you for your enquiry. The principle of development in this location is considered to be acceptable.
The proposed design is welcomed as it reduces overlooking impact to dwellings to the north when the 500mm raised finished floor level is taken into account.
Whilst the density of development is a little cramped, the local planning authority would welcome an application on the basis of the submitted plans.
This planning advice is given in good faith but is an officer opinion only and therefore is not binding on any formal decision the Council may make following the receipt of a planning application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

⊘ No
