DO NOT SCALE FROM THIS DRAWING

This drawing is a preliminary design and is not to be used for construction. It is not to be scaled for any purpose other than that for which it is issued. The General Contractor is to check all dimensions on the drawing and make any necessary corrections to the drawing before construction begins. The General Contractor is to be responsible for the accuracy of the drawing and for the accuracy of the information based upon that scale which is issued. The General Contractor is to check all dimensions on the drawing and make any necessary corrections to the drawing before construction begins.
