Dear sir,

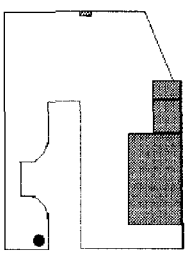

With referance to planning permission given on 21/Nov./96, for vehicular access to :-

Borden House,
Thorney Road,
Nene Terrace,
Crowland.

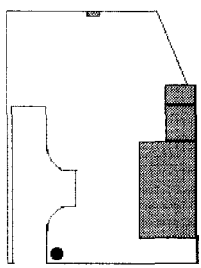

Could you please advise us on the following point.

1) Rotating the proposed drive as per sketch attached.

PROPOSED DRIVE

AMMENDED DRIVE

The reasoning behind the requested ammendment is that the origional driveway proposal separates the available ground required for the garden.

We are awaiting a surveyors report on the property with a view to purchasing the above mentioned property.

Yours sincerely,

P.A. & S.D. Jesney.
