Subject: Application - H02-0957-10

Dear Richard,

Further to the letter dated 25 November 2010, confirming the above application has been validated I would like to note two minor amendments to the application.

Firstly, in the planning statement paragraph 2.1 should read 'The panels at Crowland Fire Station will be Conergy PowerPlus **225P**'

Secondly section 22. (Industrial or commercial processes and Machinery) of the application form should state 9.9KW photovoltaic roof mounted array, consisting of **44 no.** Conergy PowerPlus **225P** panels.

Could you please acknowledge receipt of these amendments?

Kind Regards
