CHATTERTON TOWER, WINFREY AVENUE, SPALDING, LINCOLNSHIRE TELEPHONE: SPALDING 61161

3. The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced, or within such longer period as may be agreed in writing with the Local Planning Authority. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

   Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4. The occupation of the dwelling shall be limited to a person solely or mainly employed, or last employed, locally in agriculture as defined in Section 290(1) of the Town and Country Planning Act 1971, or a dependent of such a person residing with him, or a widow or widower of such a person.

   Reason: The site is in a rural area where it is the policy of the Local Planning Authority not to permit residential development except in the interests of agriculture or where related to the use of the land. The circumstances of this case relate to an agricultural need, and permission is therefore confined to it.
