5. Description of the Proposal

Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

The proposed development is to retrospectively apply for 2 containers and a shelter for horses in the field. Mr Stowe is renting the field and needs these to tend to his horses.

5. Description of the Proposal

The shelter is a 3 berth and made of wood and is used to house his horses. . Its dimensions are 9.77m x 2.14m = 20.90m2. It is located along the north fence as shown in the photos provided.

The two containers have numerous uses such as storage of food, equipment, mowers, strimmer and electric fences. These are both 6.10m x 2.44m = 14.88m2. They are located within the tree line on the eastern edge of the field and are shown in the photos provided.
