Dear Ruth,

In light of your emails which demonstrate that the relevant document has been deposited I can confirm that;

South Holland District Council hereby formally discharge conditions 13 and 14 of planning permission H02-0454-14.

You should keep this email safe as it is a supplementary decision notice to be read in conjunction with the previous decision notice relating to H02-0780-15.

Technically, as I understand you have been advised by Angela, you now need to also formally apply to discharge condition 7 of H02-1004-15.

Kind Regards,

Mark

Dear Jan,

I wondered if it would be possible to confirm that you are happy for condition 14 to be discharged, the museum has confirmed that the deposition has been received and that they have everything they need.

If you could confirm the above I would be most grateful as we are keen to get this project wrapped up before the New Year.

I look forward to hearing back from you.

Kindest regards,

Ruth

Dear Jan,

Following our correspondence and telephone conversation please see attached confirmation from Anthony Lee that the work associated with Decoy Farm has been deposited with the archive and all is in order.

I trust this now enables you to confirm that condition 14 can now be discharged and I look forward to hearing back from you.

Kindest regards,
