Description: Erection of bungalow and garage

Location : Thorney Road Crowland
Peterborough

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 The site is located within the Crowland Conservation Area where it is the duty of the Local Planning Authority to pay special attention to maintaing or enhancing the character of the Conservation Area. In the opinion of the Local Planning Authority the bungalow will change the character of the Conservation Area and will require the removal of the existing cottage. This will result in the adjoining cottage sitting ill at ease in its location and this will detract from the character of the Conservation Area.

2 The proposed access onto Thorney Road does not provide adequate turning facility within the site. This access also has restricted visibility onto the Class II County Road where vehicles, leaving the site, would have insufficient sight of oncoming traffic, to the detriment of highway safety. Due to the fact that vehicles cannot turn within the site, vehicles would emerge onto the highway in reverse thereby exacerbating the visibility problems to the detriment of highway safety.

Cottage needs demolishing - attached to another cottage / Site cleared otherwise

2m high fence to boundary with bungalow to South + also to cottage North. Posts also make one assume site will be divided in two so can't get from S Street to Training Rd but this affects portion of garage. Don't like two access arrangement & Cottage - No 3, may look lonely if has demolished but NOS of settlement + = poor Rd

REASON FOR COMMITTEE CONSIDERATION

Recommendation of refusal.

SOUTH HOLLAND DISTRICT COUNCIL
REPORT TO PLANNING COMMITTEE
Date - 8 MAR 1994

RECOMMENDATION

Refuse planning permission.

1 *The site is located within the Crowland Conservation Area where it is the duty of the Local Planning Authority to pay special attention to maintaining or enhancing the character of the Conservation Area. In the opinion of the Local Planning Authority the bungalow will change the character of the Conservation Area and will require the removal of the existing cottage. This will result in the adjoining cottage sitting ill at ease in its location and this will detract from the character of the Conservation Area.*

2 *The proposed access onto Thorney Road does not provide adequate turning facility within the site. This access also has restricted visibility onto the Class II County Road where vehicles, leaving the site, would have insufficient sight of oncoming traffic, to the detriment of highway safety. Due to the fact that vehicles cannot turn within the site, vehicles would emerge onto the highway in reverse thereby exacerbating the visibility problems to the detriment of highway safety.*

COMMENTS

1 The site has two bungalows located to the south of the site and a cottage to the north.

2 The existing cottage will require Conservation Area consent for its demolition and this has not yet been applied for or requested. The removal of the cottage which is semi-detached will result in the remaining cottage to the north appearing out of place and sitting ill at ease. It is therefore necessary for the cottage to be replaced with a two storey dwelling so the remaining cottage looks acceptable.

3 The proposal includes a changed vehicular access to Thorney Road, which the County Council are concerned about, owing to poor visibility. The site is also accessed from the rear from South Street.

REPRESENTATIONS

Parish Council:	Support application, except for access facing Snowdon Field. Is adjacent blind corner and would prefer only the South Street vehicular entrance.
Ward Member:	Culvert runs through site, is Conservation Area Consent for demolition required and question vehicular accesses.
County Highways:	Request refusal.

Dear Sir

Erection of bungalow and garage - Thorney Road, Crowland

I write with respect to the above application which was considered by the Planning Committee on 8 March 1994, when it was resolved to refuse planning permission. I enclose the decision notice and standard information on how to appeal the decision.

It was considered that when the existing cottage is demolished, it will result in the cottage adjacent to it appearing out of place and sitting ill-at-ease on its site. For this reason it is felt that the redevelopment of this plot should be for a two-storey property, situated close to the rear of the footpath of Thorney Road.

I invite you to arrange to have a meeting about your proposal for this site, if you think it is worthwhile, and suggest you ring the Department in order to make an appointment.

Yours faithfully

Comments:

We Support the application - ~~but~~ with the exception of the access facing the Snowden field. In view of the ~~Signed:~~ 'blind' corner adjacent we would prefer that only the South Street vehicle entrance were used.

DEPARTMENT OF HIGHWAYS AND PLANNING

To P. Udy SHDC

Planning Reference 1702/1205/93.

The following are my observations upon the enquiry under the reference quoted above:—

Thorney Road Counrand.

As discussed, I do not like the idea of 2 accesses for this property.

The access on Thorney Road has an inadequate turning space and is located on the inside of a bend where visibility is restricted therefore I would prefer to see this one removed.

With regard to the south street access, adequate standing room for vehicles, will need to be provided in front of the garage doors so that vehicles do not protrude onto the highway

Owing to other concerns about proposal C.B decided to request refusal.
