Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use

Construction of new pedestrian footpath.

Has the work or change of use already started?

◯ Yes
⊘ No

c) Features of geological conservation importance

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why the requirement does not apply to the development.

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?

⊘ Yes See sheet appended to form
◯ No

Biodiversity net gain has been introduced as a general condition for planning permission. As set out in The Environment Act 2021: "grants of planning permission in England [are] to be subject to a condition to secure that the biodiversity gain objective is met". Therefore, in England, all planning permissions are generally subject to biodiversity gain rules, unless they are specifically exempt or out of scope.

If you have stated that the biodiversity net gain requirement does not apply to your application you must provide the reason(s) why, and may also need to supply evidence (especially where you believe the application is eligible for the 'de minimis' exemption).

Please add all the reasons why biodiversity net gain does not apply and enter a justification for each one

Reason biodiversity net gain does not apply:

What best describes the size of your site?:

Please justify the reason why biodiversity net gain does not apply:

Note: Please read the help text for further information why developments may be exempt or not in scope.

Details of the pre-application advice received

The plans submitted indicate that the footpath would be located on the playing field. Schedule 2 Part N.1 (b) of The Town and Country Planning (General Permitted Development) (England) Order 2015 does not permit development on any land used as a playing field at any time in the five years before the development commenced.
Based on the information provided, express Planning Permission is required. The proposed development does fall within the meaning of development as set out in Section 55 of the Town and Country Planning Act 1990 (as amended).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

⊘ Yes
◯ No

Is any of the land to which the application relates part of an Agricultural Holding?

◯ Yes
⊘ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**

**** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.

If No, please provide reasons, with reference to which exemptions or transitional arrangements you believe apply:

If Yes, please provide the information requested in all the questions below:

Please provide the date the pre-development biodiversity value of onsite habitat(s) have been calculated: (this should be one of the following dates: the date of this application; or an earlier proposed date)

Date (DD/MM/YYYY): 27/10/2025

Please provide the pre-development biodiversity value of onsite habitats on this date: 0.02

If a date earlier than the date of the submission of the planning application has been specified above, please provide reasons why this date has been used:

Time required for obtaining quotation for credits.

Please state the publication date of the biodiversity metric tool(s) used to calculate the onsite biodiversity value(s) provided above.

Date (DD/MM/YYYY): July 2025

24. Biodiversity Net Gain (continued)

Has there been any loss (or degradation) of any onsite habitat(s), resulting from activities carried out before the date the pre-development biodiversity value of onsite habitat(s) was calculated and either:

- on or after 30 January 2020 which were not in accordance with a planning permission; or
- on or after 25 August 2023 which were in accordance with a planning permission?

☐ Yes ■ No

If yes, please provide details including: the date immediately before this activity was carried out; the onsite biodiversity value on this date; and any supporting evidence (or reference to relevant document containing these details).

If yes, please state the publication date of the biodiversity metric tool(s) used to calculate any onsite biodiversity value(s) provided above.

Date (DD/MM/YYYY):

Does the application site have irreplaceable habitat(s) (corresponding to the descriptions in The Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) which exist on land to which this application relates on the date the pre-development biodiversity value of onsite habitat(s) was calculated?

☐ Yes ■ No

If yes, please provide a description of these and any further details (for example reference to relevant document):

■ I/We confirm this application is accompanied by the following:
i. The completed biodiversity metric tool(s) showing the calculation of the pre-development biodiversity values, and on the dates, detailed above including, if applicable, those related to any loss (or degradation) of any onsite habitat(s)
ii. Plan(s), showing onsite habitat(s) existing on the date the pre-development biodiversity value of onsite habitat(s) was calculated; and
iii. If applicable, plan(s) showing onsite irreplaceable habitat(s) existing on the date the pre-development biodiversity value of onsite habitat(s) was calculated.
