Lincolnshire police do not have any objections to this amended application.

Police Secured by Design Award Scheme.

The Police Secured by Design scheme is an initiative and proven guide for architects, developers, and builders to encourage the use of specified materials and products together with informed design and layout to help reduce the opportunity for crime, disorder, and anti-social behaviour.

The scheme is free and the befits of its application is supported by academic evidence which shows that SBD developments experience 87% less burglaries, 25% less vehicle crime and 25% less criminal damage and a significant reduction in anti-social behaviour.

Use of specified products will contribute to the sustainability of the development and the requirement for ongoing maintenance.
