Hi Polly,

In regards to your email below I can advise you of the following changes from the approved landscaping scheme:

- The latest landscaping proposals have been updated to reflect the latest approved replan layout. This specifically affects plots 49-56 & 61-62 and the proposed pond area. The only other changes are the notes to show the proposed replanting near the site entrance (next to Plot 1) and temporary access at the turning head near to Plot 53.

I hope this is sufficient however, if you need any further information please do not hesitate to contact me.

Kind regards

Mitesh Rathod

Please can you provide me with a short schedule of the changes to the landscaping you are proposing within this application, so that the public and Members, as well as I, can understand what the changes entail.

Thanking you in advance.
