DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photocopied or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including boundaries are based upon typical site conditions related to the area, no responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as that design amendments may be considered. Site and services are recommended to inspect all foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is issued for the purpose of obtaining Planning / Building Regulations approval. This drawing shall not be used for construction purposes unless signed by the Local Authority Building Control Officer as site NOTE Method or any material specified is to be altered or the recommended approach is not followed then control environmental, substitution of materials, adherence to specification, variation or omission etc. all liability is to rest unless otherwise stated and all contractors and consultants are to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or third party accredited equivalent. The Employer / Client shall ensure that the executed contractor is competent with and adopts all measures necessary to conform throughout with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work not specifically mentioned but clearly to be reasonably inferred as necessary to carry out the work shall be deemed to be included. It is the responsibility of the Client to be aware of the Party Wall etc. Act 1996 when building to close proximity to adjoining neighbours boundaries.
