[REDACTED]

Good afternoon Mr Grant, we hope you are well.

Following on from our previous conversations please find a picture and a sample picture of the roofing tiles/covering we are hoping to use. This is one of the samples I showed to you on your visit.

These are Fibre cement slate tiles in grey with a smooth finish.

If you require any further information then please let me know.

Cement fibre roof slate & half 600x600mm blue black

£5.00*

A 600x600mm slate & half used to break the bond at the verge. With a smooth surface and square cut edges this fibre cement slate offers plenty of ...
