Dear John

Re: New cut dyke at Campains Lane, Deeping St Nicholas, PE11 3EX

As requested, please accept this letter as the Board's confirmation that your revised drawings, reference: 1812-01-A, 1812-02-A and 1812-03-A, detailing the proposed new cut dyke to serve the development at Campains Lane are agreeable with us in principle. This letter is to supersede my email dated 20th June 2019.

Thank you for your time and effort on this matter, and if you need anything else please let me know.

Yours sincerely

Craig Shinkin
Planning & Enforcement Officer
