DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose than that for which it is issued. Any unauthorised alteration to the name or signature on site and responsibility for the Architects As details shown on this drawing. Investigations are based upon historical conditions related to the area. No responsibility is accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design accommodations may be considered. Site soil surveys are recommended. In respect of foundations to establish specific site conditions before foundation work is commenced. The drawing is limited in the amount of information contained and does not purport to comprise a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to carryout workmanship, substitutions of materials, adherence to specifications, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to the relevant British standard specification or BSI equivalent of European code equivalent. The Employer / Client shall appoint a competent person to act as the construction supervisor for the purposes of ensuring compliance with Health and Safety legislation for Building sites and Work duties. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
