Description: 40 metre high wind monitoring mast

Location : Vine House Farm Deeping St Nicholas
Spalding

South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

- 1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

- 2 The mast shall be removed from the site within 12 months of the date of its erection.

Reason: The mast is required for a temporary period to record wind speeds.

- 3 Arrangements shall be made for an archaeologist recognised by the Local Planning Authority to monitor all stages of the development involving ground disturbance in accordance with a scheme to be submitted to and approved in writing by that authority before development is commenced. A report of the archaeologist's findings shall be submitted to and approved in writing by the Local Planning Authority within one month of the last day of the watching brief, and shall include arrangements for the conservation of artefacts removed from the site.

Reason: The site is of archaeological interest.

The determined plans are:-

1:1000 site plan, 1:500 block plan, 1:200 elevation received 18 June 2001.
