3. Description of the Proposal

Please describe the proposed development including any change of use:

Erection of a 50kW Endurance wind turbine mounted on a 23.6m tower. The turbine will be installed in a field behind Bell Bush Farm. The electricity generated by the turbine will be primarily used on the farm to help meet the high energy demands of Bell Bush Farm. Any surplus energy will be fed back into the National Grid.

Has the building, work or change of use already started? ( ) Yes (•) No

5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? (•) Yes ( ) No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title: Mr First name: Chris Surname: Crew

Reference: H03-0648-11

Date (DD/MM/YYYY): 24/08/2011 (Must be pre-application submission)

Details of the pre-application advice received:

A previous application for a 36m 50kW wind turbine at this site was withdrawn on 26.09.11 due to an MOD objection. The agent has been in consultation with the MOD and they have no objection to a turbine on a 25m tower at this site. This application is therefore for a 25m 50kW Endurance turbine.
During consultation for the original application, an objection was also received by the Lincolnshire Wildlife Trust. They recommended that we relocated the turbine to ensure that it was at least 50m from the field boundary. We have followed this advice and have moved the turbine 50m from the boundary.
This application is therefore a new planning application for an Endurance 50kW 25m turbine at a site approximately 20m to the north-east of the original application.
