Dear Sirs

PLANNING APPLICATION H03-0564-15

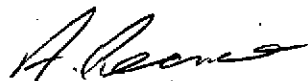

We submitted the above Planning Application for an Agricultural Shed on 24 June this year, and "Determination that Planning Approval was not required" was subsequently received from Paul Jackson.

However, due to ground conditions, and reasons of security, on the original planned site, we have now decided to move the building location within the same yard.

On speaking to one of your planning officers - Tracey Meachen - we were advised to resubmit the application with this covering letter.

I trust that this is satisfactory, and I look forward to hearing from you. If you required any further information, please do not hesitate to contact me on 07957 987 058.

Yours faithfully

Andrew Pearce
