Phone Dr. Brooks: He had letter in post & me. To do him thought meeting with agent & talk thro' design & see if agreement were possible would be useful. Also concerned at 4 bedrooms the might need justification. He explained need for good floor extension because of his disability. Wanted private toilet & care & maintenance – signed as well make 2 storey + increase space upstairs Probably would not be used but would increase value & house. Would you in writing with & submission – how minimum. Agent suggested meeting 4 pm 16-1-97
