# TOWN AND COUNTRY PLANNING ACT 1990

## FULL

**Reference:** H03-1120-23 **Date of Decision:** 27th February 2024

**Applicant:** Mr Oxbury
44 Chappell Road
Deeping St Nicholas
Spalding
Lincolnshire
PE11 3ER

**Location:** Adj. 44 Chappell Road Deeping St Nicholas Spalding

**Description:** Erection of two dwellings including demolition of existing outbuildings

## South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

1 Policy 2 of the adopted South East Lincolnshire Local Plan (SELLP, 2019) states that proposals requiring planning permission for development will be permitted provided that sustainable development considerations are met, specifically in relation to size, scale, layout, density and impact on the amenity, trees, character and appearance of the area and the relationship to existing development and land uses. Policy 3 of the adopted South East Lincolnshire Local Plan (SELLP, 2019) states that development proposals will demonstrate how an acceptable design of development including residential amenity will be secured. Policy 30 of the adopted South East Lincolnshire Local Plan (SELLP, 2019) states that development proposals will not be permitted where they would lead to unacceptable adverse impacts on the amenities of the area. Paragraph 135 of the National Planning Policy Framework (NPPF, December 2023) states that decisions should ensure that developments will function well and add to the overall quality of the area, are visually attractive as a result of good architecture, layout and appropriate and effective landscaping, are sympathetic to local character and create places that are safe, inclusive and accessible and which promote health and well-being, with a high standard of amenity for existing and future users. Finally, Paragraph 134 of the National Planning Policy Framework (NPPF, December 2023) states that development that is not well designed

should be refused, especially where it fails to reflect local design policies and government guidance on design.

The dwellings, by virtue of their size, density and layout would result in unacceptable adverse impacts on the character and appearance of the street scene of Chappell Road/ New Road and the surrounding area due to them appearing as a cramped form of development in the plots whilst also significantly reducing the amenity space of the host dwelling. Accordingly, the proposal would be contrary to Policies 2, 3 and 30 of the adopted South East Lincolnshire Local Plan (SELLP, 2019) and the guidance within the National Planning Policy Framework (NPPF, December 2023) and is therefore refused.

2 Policies 2 and 3 of South East Lincolnshire Local Plan (2019) sets out that residential amenity and the relationship to existing development and land uses is a main consideration when making planning decisions. Paragraph 135 of the National Planning Policy Framework (December 2023) states that development should create places that are safe, inclusive and accessible and which promote health and well-being, with a high standard of amenity for existing and future users; and where crime and disorder, and the fear of crime, do not undermine the quality of life or community cohesion and resilience.

The proposal by virtue of its positioning would result in significant and material overlooking upon the existing No. 44 Chappell Road. The positioning of the windows to the rear would impact privacy in habitable rooms and private amenity spaces. The proposal is considered to be contrary to Policies 2 and 30 of the South East Lincolnshire Local Plan (SELLP, 2019) as well as Paragraph 135 of the National Planning Policy Framework December (NPPF, December 2023).

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. Furthermore, matters of concern with the application have been identified and discussed with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory solution and due to the harm, which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

| 12 Weeks | 6 Months | 8 Weeks |
|---|---|---|

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

## Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

## Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

## Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
