DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during current orders unless reported to the Architect as that design amendments may be necessary. Site and surveys are inconsequential in respect of foundations to restriction soluble site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a working document alone. The works will not be supervised or inspected on site by G R Merchant or any of its employees. Permission to depart from any approved plans or documents must be obtained from the Local Authority before any work is executed. All dimensions are nominal unless otherwise stated. Any discrepancies or ambiguities between drawings and specifications should be reported to the Architect before any work is executed. All components and equipment etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BSA certificate or EU-opean asser equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliances with Health and Safety legislation for building sites and work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the old / land owners responsibility to be aware of the Party Wall act. Act 1996 when building in close proximity to adjoining neighbors boundaries.
