Conservation Area. Please give the name of the Conservation Area here: - DONINGTON

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.

Please return this form to: Planning Department, South Holland District Council, Council Offices, Priory Road, Spalding, Lincs, PE11 2XE.
Or e-mail: planningadvice@sholland.gov.uk (Please note the completed form is put on the South Holland District Council website).

THE TREE TO BE FELLED LOOKS AS IF IT SELF SEEDED AND IS TOO CLOSE TO TREE (3). I WOULD EITHER PLANT A HEDGE WITHIN BOUNDARY WALL OR PLANT A STANDARD APPLE TREE IN BACK GARDEN IF THAT IS ACCEPTABLE
