Tracey

You will be pleased to hear (I hope) that Coop have made the sensible decision to omit the ATM from this project entirely – not even having one internally

You will be receiving amended drawings to reflect this today – hopefully such a minor amendment can be classed as such without impact on the timescales stated previously

If you have any queries please let me know

Thanks

Gary

Dear Mr Edwards,

All consults for the above will be complete on 2nd March 2017. If no objections are received, the report will be written up shortly after that date and hopefully you will receive it shortly after.

Regards

Good afternoon Tracey

We are the contractor completing the works to the ram raided Donington store for Coop

I am finalising the programme currently and we are hopefully opening the store in advance of the currently advised approval date

Is this something that can be speeded up in any way – due to it's straight forward nature but also the fact that the store has been shut for some time and Coop would rather have planning on re-opening than not

If you could kindly advise if this could be brought forward 1 week?

Best Regards

Gary
