Dear Sir

**GEORGE BARNSDALE AND SON
DEMOLITION OF STORE AND ERECTION OF A JOINERY PRIMING
WORKSHOP (NECESSITATING THE DIVERSION OF PUBLIC
FOOTPATH)
LAND OFF HIGH STREET, DONINGTON**

Following the resolution to approve the above application at the Planning Committee on the 31 May and the subsequent telephone conversations regarding the workshop, we now enclose 4 copies of an amended plan.

We have changed the roof pitch to reduce the amount of brickwork on the western elevation of the workshop that is visible from the Public Footpath. In addition, we have added some relief brickwork to break up the façade.

I trust you will find these changes acceptable and look forward to receiving the planning permission in due course.

Yours faithfully
