Application	H04-0199-19
Location	3 SAXONY WAY DONINGTON SPALDING PE11 4YA
Proposal	Extension to form Gymnasium

Name	Black Sluice Internal Drainage Board
Address	Station Road Swineshead Boston PE20 3PW

Date Submitted	26-03-19
For/Against	Comments

The applicant should be advised that there is a piped watercourse running north-south along the rear of the property (western boundary) which forms part of a larger surface water disposal system built around the boundary of the Saxony Way/Mallards Reach development during construction of the estate. The applicant should ensure that no part of the proposed works affects this piped watercourse, and that if any damage is caused, then they will be responsible for the costs of any repairs or replacement. The applicant should also be reminded that within Common Law they are responsible for the ownership and maintenance of the section of the pipe within their land or property boundary.
