DO NOT SCALE FROM THIS DRAWING
This drawing is the property of Julian Warrick Design Consultancy and is protected by the Copyright Designs and Patents Act 1988. Unauthorised reproduction or use of this drawing is prohibited. Dimensions should not be scaled from this drawing. Any discrepancies are to be reported. All dimensions are in millimetres unless otherwise stated. Figured dimensions are to be taken in preference to scaled. This drawing is to be read in conjunction with all relevant engineers and specialists drawings and specifications. All contractors are to visit the site and be responsible for taking and checking all dimensions relative to their work. Any discrepancies are to be reported before work commences. Julian Warrick Design Consultancy is not responsible for any errors or omissions contained in information supplied by others. Any work carried out by the contractor prior to the issue of approval is entirely at their own risk. This drawing is to be used for the purpose intended as detailed on this drawing. Any proposed variations are to be notified to Julian Warrick Design Consultancy for written approval. Do not use this drawing for construction purposes unless issued for that purpose. Any breach of copyright will be subject to action. Julian Warrick Design Consultancy is not responsible for the structural design of the building. Structural calculations and design are the responsibility of the Building Control Body appointed by the client. Contractors must comply with all Statutory Regulations and Codes of Practice. We assume all contractors have public liability insurance cover and are members of a recognised trade association. Contractors must comply with the Construction (Design and Management) Regulations as appropriate. CDM coordinator is the responsibility of the client. Work that may not specifically be shown but that is an inescapable part of the work shall be carried out as if shown on the drawings. Do not scale from drawing. Figured dimensions only to be taken. Any discrepancies to be reported to the Engineer before work proceeds. Party Wall etc. Act 1996: when building or close proximity to adjoining neighbours boundaries you may be required to serve notice under the Party Wall etc. Act 1996. Julian Warrick Design Consultancy is not responsible for any work affected by the work. The Contractor must be Asbestos Aware & to the latest codes of practice
