Dear Mr Crew,

With reference to the above Listed Building Application (Demolition) & Full Planning Application for the Demolition of the existing extension and erect ground floor rear extension, repairs and refurbishment to cottage.

Further to our telephone conversation on Monday 14th June 2010 I would be obliged if the attached drawing ref 09/MC/D/02 Rev A could be substituted for the drawing contained within the application.

This drawing indicates the proposed rear extension reduced in length by 2440mm, (ie 4 bays to 3 bays) the existing windows to the rear extension retained, with windows to match proposed on the extension, apart from a pair of french doors to the centre for access.

I trust that these revisions accurately represent our discussion and that you will now be able to recommend the application for approval.

Both the Client Mr Carnel and the undersigned are aware that the decision date for this application is the 17th June 2010. We are both happyfor this date to be extended, should the need arise, so that the application can be dealt.

Should you have any comments or wish to discuss the enclosed drawing further please do not hesitate to contact me.

Regards

T Burton.
