Details of the pre-application advice received

When submitting information at previous phase stage, Polly Harris Gorf advised we need to submit Phase 1 specific information only and this will be denoted on the discharge approval letter. However, the approval letter does not stipulate to this effect.

Following our confirmation that we deem it necessary to submit Phase 2 information separately as well, Mark Simmonds verbally confirmed in March 2024 that the applicant can submit, highlighting which phase this will be applying to, thus resolving the matter.

Mr Simmonds further confirmed that should information be required to be submitted for both phases where it was already discharged for Phase 1, but perhaps now revised, the new approval for both phases will overwrite the previous approval for Phase 1 only.
