Dear Mr Crew,

Thank you for your e mail, I will investigate a new location and get back to you with amended plans.

I am also working on the CCTV application and taking pictures of the current doors on the trap house.

David Carrington should be in touch soon if he has not already to start the process off regarding brick samples and tiles etc.

With best regards
Adam

Dear Mr Green

Further to the above referenced application, I've discussed matters with colleagues and the consensus of opinion is that we cannot support retention of the shelter immediately in front of the house. We would however support a proposal to move it to

the west to the other side of the field gate, and if you are able to submit a revised layout plan indicating this I will be able to move this application forwards with a recommendation for approval.

I look forward to hearing from you in due course.

Regards

Chris
