Title: Mr First name: Phil Surname: Norman

Reference: PE-00982-15

Date (DD/MM/YYYY): 09/11/2015 (Must be pre-application submission)

Details of the pre-application advice received:

Feedback sought on 2 schemes. a five house development and a 9 house development.

Response:

In the context of the South Holland Local Plan, 2006, the National Planning Policy Framework, 2012 and the Council's current lack of a demonstrable 5-year supply of deliverable housing sites, the principle of residential development on this site is acceptable.
Broadly-speaking both layouts appear acceptable. The information submitted with this proposal reflects previous conversations and it appears contact has been made with other statutory undertakers e.g. the County Council. However, it is unclear from the submission whether both options include adopted road. Adopted road is preferable with regards to on-going maintenance and waste collection.
As per the provisions of the Local Plan, a third of the development (not including the replacement existing affordable units) should be affordable. I suggest making contact with my colleague Matthew Hogan (Strategic Housing Manager) regarding this.
This planning advice is given in good faith but is an officer opinion only and therefore is not binding on any formal decision the Council may make following the receipt of a planning application.
