South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

2 The occupation of the dwelling shall be limited to a person solely or mainly employed, or last employed, locally in agriculture as defined in Section 336 of the Town and Country Planning Act 1990, or a dependent of such a person residing with him, or a widow or widower of such a person.

Reason: In the interests of visual amenity.

4 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.
