TOWN AND COUNTRY PLANNING ACT 1990
WORKS TO A PRESERVED TREE

Reference: H04-0536-23 **Date of Decision:** 4th August 2023

Applicant: Mrs K Robertson
20 Malting Lane
Donington
Spalding
Lincolnshire
PE11 4XA

Location: 20 Malting Lane Donington Spalding

Description: Works to Donington Tree Preservation Order No. 1 1952

Detailed Description:

Application to carry out works to a mature sycamore and lime tree in the front garden of 20 Malting Lane. The trees are within Group Two of Donington Tree Preservation Order No. 1 1952.

'Sycamore and lime tree in front garden. Have been reduced in the past and have subsequently regrown. The Application is to reduce back the re-growth to the sycamore to the south and the lime to the north to give clearance to phone lines.'

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 That the proposed work is carried out within two years of the date of this decision unless otherwise agreed with the District Council.

2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

Pruning of sycamores should take place in late summer or early autumn. All pruning works to sycamores should be completed by mid-January to avoid problems of sap bleed.

Other than the removal of dead wood lime trees should preferably be pruned in late July and August or alternatively in the autumn months. Avoid pruning from the end of January onwards, as the bleeding of sap may be a problem.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England on Tel: 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England on Tel: 03000 603900 before works proceed.
