Thank you for consulting us on this application.

The proposed development will comprise Re-surfacing of sports court and replace existing fencing in Thomas Cowley High School School. This is near to The Old School Building, a grade II listed asset MLI94324.

Having reviewed the application documents and the updated available Historic Environment information for this application, the proposal is unlikely to have an impact on any archaeological remains.

Consequently, no further archaeological input is necessary for this application.

Regarding any potential impacts to the standing listed building, I defer comments to the SHDC Conservation Officer.
