Subject: H04-512-14 - Discharge of Conditions (6 and 8 of H04-1081-13)

Dear Charlie

Pursuant to application H04-512-14 which sought to discharge conditions from H04-1081-13 I can confirm that you have now submitted sufficient information to discharge conditions 6 and 8.

I hereby confirm on behalf of South Holland District Council that conditions 6 and 8 of H04-1081-13 are now DISCHARGED.

These conditions are discharged by way of the original information submitted with H04-512-14 AND following submission of the following additional information which now forms part of the approved details:

With regard to Condition 6 – the Acoustic fence detailed on plan number 3601 – DE 011 attached to your email of Thursday 23/04/2015;

With regard to Condition 8 – the levels approved are those shown on the plan WD/218/02H determined under NMA H04-0892-14 for Plots 4, 5, 6 and 7 and those shown on 02H as per your email of 14 April 2015 for the remainder.

I hope this is useful.

This email now forms part of that decision notice and should be kept safe for future reference.

Kind regards,

Mark
