Dear Sirs

Reference Extension to Existing Storage - Day's Lane, Donington

Thank-you for the opportunity to review the plans for your proposed premises extension.

We have reviewed the drawings and potential impact on the site and can confirm that we have no objections to this expansion – it appears to give good due consideration for the look of the environment around it which we appreciate.

I confirm that this view is shared jointly with our son & daughter-in-law – Jonathan & Louise Pearson of Ashcroft, 90 Bicker Road, Donington. We are responding on the collective behalf as joint owners of Ashcroft.

We wish you well with your continued business expansion.

Yours faithfully

Jane Pearson

R A & Mrs J E Pearson
