Planning Statement

The building has been derelict for many years, and is in a very poor state of repair. Due to the small size of the property, there is no alternative use for the building. The Trustees of the Donington Cowley Trust, The Thomas Cowley School, and the Parish Council have all collectively declined to a transfer of the building to the School at nil cost, but have collectively requested for the County Council to demolish the building and transfer a cleared site to the School. The County Council wishes to demolish to building in order to transfer the site to the School.

When the site is cleared it will be landscaped to match the adjoining school field and the school boundary fence extended to include the landscaped area and the area used as part of the school field..
