TOWN AND COUNTRY PLANNING ACT 1990 FULL

Reference: H04-0600-16 **Date of Decision:** 12th September 2016
Applicant: Cook Property Holdings Ltd
Quadring Road
Donington
Spalding
Lincs
PE11 4TD
Location: Dave Cook Engineering Warehouse & Yard Quadring Road Donington
Description: Erection of 4 dwellings including access, parking and landscaping

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The proposed development represents a cramped form of overdevelopment out of keeping with the prevailing character of built development in the locality where existing dwellings are predominantly detached, situated on spacious plots and are generally well spaced.
The proposal is therefore contrary to Policies SG14 and SG17 of the South Holland Local Plan, 2006. These policies indicate that new development should make a positive contribution to the character and appearance of the locality and not cause unacceptable harm to residential amenity. These policies accord with national advice contained within Section 7 of the National Planning Policy Framework, 2012 which places importance on the how new development integrates into the built environment.
- 2 The layout and general nature of the development is such that future occupiers would have a reduced level of amenity as a result of shared vehicle turning and parking provision and the consequent lack of privacy and associated noise and disturbance that this would entail. This would be further eroded by the sharing of the access with the adjacent commercial building which would not be screened from the proposed

development. The future mixed use could prove detrimental to the safety of the residents of the houses due to the lack of control by the planning or highways departments on the size of vehicles using the adjacent commercial site and the fact that they would have to utilise the turning facility for turning HGV's which forms part of the application site.

The proposal is therefore contrary to Policies SG14, SG15 and SG17 of the South Holland Local Plan, 2006. These state that new development should be of a high standard of design; be sympathetic with its surroundings; ensure the safety of road users, pedestrians and cyclists using the site and should maintain the amenity of nearby residents. These policies are in accordance with advice within paragraph 17 of the National Planning Policy Framework 2012 which seeks to secure high quality design and a good standard of amenity for all existing and future occupants of the land and buildings, and section 7 which encourages a mix of uses, but only where appropriate

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. Furthermore, matters of concern with the application have been identified and discussed with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory solution and due to the harm, which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
