SOUTH HOLLAND DISTRICT COUNCIL

Town and Country Planning Act 1990

Planning Permission

Reference: H04/0638/97 Received:10-FEB-98 Type:FULL

Name: Dray Building Ltd
7 Westway
London
W12

Agent: R H Goodacre
2 Eastdene
Trinity St Halstead
Essex

Description: Erection of 11 bungalows

Location : Site rear of Todds Garage Donington
Spalding Lincs

South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

2 Development shall not commence until the northern and western boundaries are fenced with 1.8 metre close boarded fencing with 300mm trellis on top and the southern boundary with 1.8 metre close boarded fencing.

Reason: In the interests of residential amenity and to ensure all the site is controlled by the developer in view of possible ownership disputes.

3 Before the development hereby permitted is commenced details of the type and colour of the materials to be used for external walls and roofs shall be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that the external appearance of the proposed development harmonises with existing buildings in the area.

4 Before any development is commenced, a scheme of landscaping and tree planting for the site, including details of positions, heights on planting and species of trees and shrubs, shall be submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of visual amenity.

5 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that

period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

6 The roads and footways shall be laid out and made up in accordance with the specification, programme and details to be submitted to and approved in writing by the Local Planning Authority and in any event shall be so constructed that, by not later than the time any dwelling erected on the land is occupied, there shall be direct connection from it (completed to the approved specification less the carriageway and footway wearing courses) to an existing highway; and the carriageway and footway wearing courses shall be completed within three months from the date upon which the erection is commenced of the penultimate dwelling to which this permission relates.

Reason: To ensure satisfactory access to each dwelling in the interests of residential amenity and convenience.

7 No dwelling to which this permission relates shall be commenced unless or until the carriageway basecourse and kerb foundation of the new estate roads onto which it fronts, is adjacent to, or gains access from, has been constructed.

Reason: To ensure that satisfactory access is provided to each building plot, at all times that the development is in progress, in the interests of the proper development of the site.

8 Before any development is commenced the written approval of the Local Planning Authority is required to the detailed design of the scheme to provide for the satisfactory disposal of highway surface water run-off from the development; and such scheme as approved shall be carried out before any building is occupied.

Reason: To ensure that highway surface water run-off from the development will not adversely affect, by reason of flooding, the amenity of nearby land.

9 The area(s) shown on the plan accompanying the application reserved for the parking of vehicles shall be used, or be available for use, for vehicle parking at all times when the premises are in use.

Reason: In the interests of the safety and convenience of traffic using the adjacent road.

Description: Erection of 11 bungalows

Location : Site rear of Todds Garage Donington
Spalding Lincs

South Holland District Council hereby give notice
that permission has been granted (or equiv)
on the following condition(s):

1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

2 Development shall not commence until the northern and western boundaries are fenced with 1.8 metre close boarded fencing with 300mm trellis on top and the southern boundary with 1.8 metre close boarded fencing.

Reason: In the interests of residential amenity and to ensure all the site is controlled by the developer in view of possible ownership disputes.

3 Before the development hereby permitted is commenced details of the type and colour of the materials to be used for external walls and roofs shall be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that the external appearance of the proposed development harmonises with existing buildings in the area.

4 Before any development is commenced, a scheme of landscaping and tree planting for the site, including details of positions, heights on planting and species of trees and shrubs, shall be submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of visual amenity.

5 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that

period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

6 The roads and footways shall be laid out and made up in accordance with the specification, programme and details to be approved and in any event shall be so constructed that, by not later than the time any dwelling erected on the land is occupied, there shall be direct connection from it (completed to the approved specification less the carriageway and footway wearing courses) to an existing highway; and the carriageway and footway wearing courses shall be completed within three months from the date upon which the erection is commenced of the penultimate dwelling to which this permission relates.

Reason: To ensure satisfactory access to each dwelling in the interests of residential amerity and convenience.

7 No dwelling to which this permission relates shall be commenced unless or until the carriageway basecourse and kerb foundation of the new estate roads onto which it fronts, is adjacent to, or gains access from, has been constructed.

Reason: To ensure that satisfactory access is provided to each building plot, at all times that the development is in progress, in the interests of the proper development of the site.

8 Before any development is commenced the approval of the Local Planning Authority is required to the detailed design of the scheme to provide for the satisfactory disposal of highway surface water run-off from the development; and such scheme as approved shall be carried out before any building is occupied.

Reason: To ensure that highway surface water run-off from the development will not adversely affect, by reason of flooding, the amenity of nearby land.

9 The area(s) shown on the plan accompanying the application reserved for the parking of vehicles shall be used, or be available for use, for vehicle parking at all times when the premises are in use.

Reason: In the interests of the safety and convenience of traffic using the adjacent road.
