Hi David

Yes please take the Landscaping Drawing as being the correct heights.

Dear Mr Todd

I hope you are well.

Just a short email asking for clarification of fence heights. The drainage plan shows a 1.8 metre fence down the entire length of both side boundaries but the landscaping plan shows a 1 metre high fence for the first 2 metres of the boundary treatment.

I imagine the landscaping plan is the correct fence layout but can you please confirm this?

Yours sincerely,

David Grant | Senior Planning Officer | **South Holland District Council**
